

Don't let student loans hold you back.

Through our trusted partnership with GreenPath, you have access to a team of non-profit, student loan experts. They will work with you to secure the best repayment option for your personal situation.

Are you concerned about your student loans? GreenPath can guide you through your student loan repayment options, empower you to make an informed decision on which is best for you, and even contact your loan servicers.

GreenPath offers two tiers of service to empower you to regain your financial footing:

Student Loan Counseling (\$50)

A student loan expert will:

- **Review all student loans.** We'll determine how much you owe, payment terms, and repayment program eligibility for each loan.
- **Explore your repayment options.** We'll make sure you understand the pros and cons of each option.
- **Develop an unbiased, personalized plan just for you.**

Student Loan Enhanced Support (\$200)

This enhanced session is especially helpful if you're in default or having trouble with your loan servicer(s). **In addition to receiving all of the Student Loan Counseling services listed above, a certified student loan expert will:**

- **Conduct an in-depth analysis.** We'll guide you in understanding your loan repayment options and do some of the legwork for you.
- **Address delinquent and defaulted loans.** We will create a personalized plan to bring your delinquent loans current, and rehabilitate any defaulted loans.
- **Submit paperwork.** If appropriate, we'll work with you to complete the application process for securing a student loan repayment program.
- **Contact your loan servicers.** We'll work as your advocate and partner, until a final resolution is reached.
